

# DISCOVER OUR ROUND FILM SEAL CONTAINER

## Characteristics

- Film Seal
- Easy to open and use
- Microwave, dishwasher & freezer safe
- High quality IML graphics
- Hot fill, cold fill capable
- 100% recyclable
- 100% Polypropylene

## Presentation

Our round film seal series is available in 8, 12, 16, 24 and 32 oz sizes. Made with polypropylene this line is 100% recyclable and offers In-Mold labeling as a primary decoration method. In-Mold labeling offers photo quality labels to increase brand recognition. Made meeting North American 409 fill line standards. Our film seal series is made to meet any requirements you may have for film seal, tamper-evident food packaging. Materials and resins meet FDA and USDA regulations. They are BPA free and are labeled as safe for food contact.
